

Air emissions

Based on the continuous emission monitoring system the plant has installed and has in operation since December 2010, the below graphs show the annual average concentration emitted from the kiln stack for the period 2011 - 2014.

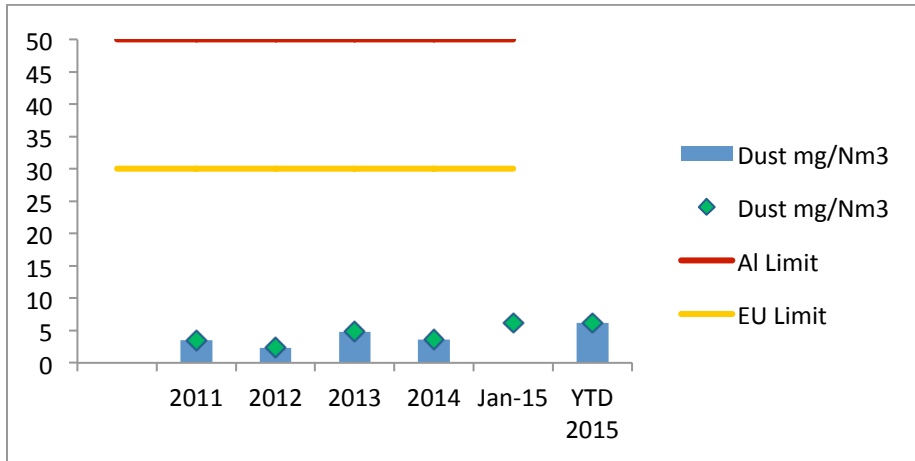

Graph No. 1: SOx emissions

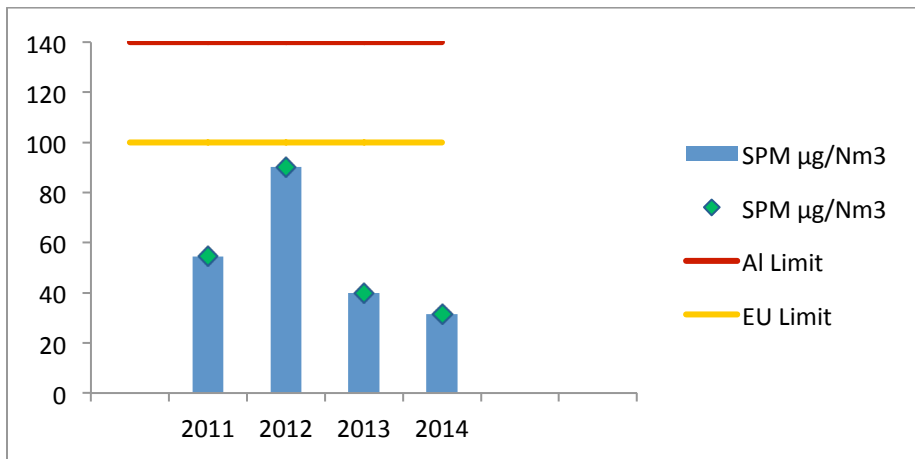

Graph No. 2: NOx emissions

Graph No. 3: Dust emissions from kiln

Graph No. 4: SPM emissions

Graph No. 5: PM 10 emissions
