

**Albanian
C.S.R.
Network**

FACTSHEET

The CSR Network was launched on **11 APRIL 2013** as an initiative of five largest companies in Albania as a response to the growing need for companies to make CSR part of their practices and to promote CSR in Albania. The Albanian CSR Network's mission focuses on these points:

- 1** Dissemination of information on Corporate Social Responsibility (CSR) for businesses through trainings
- 2** Research on CSR, through the identification of the needs of member businesses and their concerns
- 3** The recognition of businesses for their best practices as a means of promoting CSR
- 4** Cross-sectorial partnerships with other businesses, the government as well as the civil society to and address social problems

On **02 JUNE 2015** the Network became member of CSR Europe, the largest European Business Network for Corporate Social Responsibility.
